SUMMARY

Full Stack Mobile App Developer with 4.4 years of experience in Flutter and Android. Delivered multiple live apps across fantasy sports, education, and e-commerce. Skilled in Dart, Java, GetX, BLoC, Firebase, and REST APIs. Strong problem-solving skills and open to relocation across India.

EXPERIENCE

Playerzpot Media Pvt Ltd, Navi Mumbai— *Flutter developer*

I worked on Flutter apps at Playerzpot Media Pvt Ltd from March 2024 to March 2025, focusing on fantasy sports games similar to Dream11, refining skills in a dynamic environment.

Bitblue Technology, Nallasopara, Mumbai— *Flutter developer*

I developed Flutter apps at BitBlue Tech from Feb '22 to feb'24, focusing on Dextro and Sirvee Collection projects. Enhanced skills in a dynamic environment.

Edugaon Technology , Amnour, Saran, Bihar— *Flutter and android developer*

Interned as a Flutter and Android Developer at Edugaon Innovation Pvt Ltd in Amnour, Bihar, from sep 2020 to Jan 2022. Contributed to projects like Metzee and eRestor, honing app development skills.
