# Dipesh Kavar

## ANDROID DEVELOPER

dipeshkavar4@gmail.com
+919702686784
Bhayandar East ,Mumbai,Maharashtra -401105

## SUMMARY

Innovative and detail-oriented Android Developer with expertise in Kotlin, MVVM, Retrofit, and Firebase, passionate about creating high-performance, scalable, and user-friendly mobile applications. Skilled in UI/UX design, API integrations, and database management, with a strong focus on writing clean, maintainable, and efficient code. Adept at problem-solving, optimizing app performance, and implementing secure payment gateways. Continuously learning and adapting to the latest mobile development trends to deliver cutting-edge solutions.

## TECHNICAL SKILLS

Programming Languages : - Kotlin, Java, JSON,HTML

Databases : - SQLite,Room

Design : - XML Design, Material Design Knowledge

IDE : - Android Studio, Visual Code

APIs & Tools : - REST API, Retrofit, Postman, Firebase Notifications, Payment Gateway Integration

Architectures: - MVVM, MVC,LiveData,ViewModel

Version Control : - Git,GitHub

Other : - Google Ads, Playstore,Third-Party Libraries

## PROFESSIONAL EXPERIENCE

### Golden Digitech Pvt.Ltd — Sep 2022 - Till Date

**Android Developer**

- Developed and maintained high-performance Android applications using Java and Kotlin, ensuring smooth and responsive user experiences.
- Collaborated closely with cross-functional teams including designers, backend developers, and QA engineers to deliver scalable and reliable mobile solutions aligned with business requirements and project timelines.
- Designed and implemented intuitive user interfaces following Material Design principles, resulting in clean, modern, and user-friendly applications
- Integrated third-party libraries and RESTful APIs to enhance app functionality and deliver innovative features to end users.
- Debugged and resolved software bugs and performance issues, significantly improving application stability and user retention.
- Ensured robust data integrity and followed security best practices to protect sensitive user data and maintain application trustworthiness.
- Successfully implemented secure payment gateway integration, providing users with seamless and reliable transaction experiences.
- Utilized Firebase Authentication for secure login, account management, and real-time data sync capabilities.

### Planet NextGen Technology Pvt.Ltd — June 2022 - Aug 2022

**Android Developer Intern**

- Developed and contributed to Android projects under the mentorship of senior developer
- Assisted in the implementation of new features and functionalities, gaining practical experience in Android app development.
- Collaborated with the development team to identify and x bugs and optimize application performance.

## EDUCATION

**Abhinav College - Mumbai University**

B.Com 2020

**Abhinav Jr College**

H.S.C 2017

**Bhayandar Secondary School**

S.S.C 2015

## CERTIFICATIONS

**Zep Institute**

Android Developer Cource 2020

Kotlin Cource And Spring Boot 2023
