## Professional Experience

### Senior Salesforce Developer | Horizontal Digital, Jaipur | Jul 2023 – Present

- • Lead development of Experience Cloud portals with LWC and real-time notifications.
- • Developed custom approval processes for Opportunity Products and implemented error logging frameworks.
- • Built Mulesoft Composer integrations across orgs and third-party gateways (Amazon Pay, Triple A).
- • Transformed complex triggers into scalable flows, and architected flow orchestration solutions.

### Salesforce Developer | Teqforce Solutions Pvt. Ltd., Ranchi | Dec 2020 – Jul 2023

- • Integrated external systems including Harver, AWS S3, and SurveyMonkey using REST APIs.
- • Led a Sales Cloud-based mortgage project and managed custom workflows and triggers.
- • Worked on Marketing Cloud journeys, created AMPscript email templates, and used Server-Side JS.
- • Implemented NPSP solutions and optimized custom components using Apex & LWC.

### Salesforce Associate | Celebal India Solution Pvt. Ltd., Jaipur | Nov 2019 – Aug 2020

- • Completed foundational Salesforce training and supported delivery of project user stories.
- • Demonstrated adaptability and earned accolades for multitasking and collaboration.

## Notable Projects

**Steelcase Inc:**
Led Experience Cloud Partner Portal implementation using LWC and Mulesoft. Managed task assignments, PR reviews, and stakeholder coordination.

**RAK DAO:**
Developed custom discount approvals, integrated Amazon Pay & Accuity, implemented push notifications for portals.

**African Leadership University:**
Designed full student admission architecture. Led LWC, VF, Apex development and suggested system designs to client.

**CMI:**
Supported Sales Cloud implementation and automation through Apex and Visualforce.

**GiveSmart Connector:**
AppExchange product work involving async Apex, batch processing, REST APIs, and product packaging.
