Email: hegdenagashree19@gmail.com

Experienced Software Engineer with a demonstrated efficient and solid work experience over 5 years in the information technology and software industry. Strong and skillful in Python, Django, AWS Lambda and programming concepts. Focused engineering professional with a Bachelor of Engineering(B.E) specialized in Information science from Atria Institute of Technology.

SKILLS

- Programming & Frameworks: Python, Django, Django ORM, REST API Development
- Other languages: HTML, CSS, Javascript
- Databases: SQL, PostgreSQL, MySQL, SQLite
- Web & Data Formats: JSON, XML, XSLT
- Testing & Quality Assurance: Pytest, Unit Testing, Integration Testing, Automated Testing, Debugging, Code Reviews, CI/CD Pipelines
- Cloud & DevOps: AWS (Lambda, EC2, S3, RDS, SAM CLI), Docker, Git/GitHub/GitLab, Version Control Best Practices
- Software Development Practices: Agile/Scrum Methodologies, Sprint Planning, Daily Stand-ups, Retrospectives, Continuous Improvement
- Tools & Platforms: VS Code, PyCharm, Linux/Unix Environments

EXPERIENCE

Thomson Reuters, Bangalore

April 2022 - Present

Software Developer

- Engaged in the full software development lifecycle, including design, development, testing, deployment, and post-deployment support.
- Delivered efficient, maintainable, and high-quality Python code, improving performance and customer satisfaction.
- Utilized a diverse technical stack: Python, Git, SQL, Pytest, AWS (Lambda, SAM CLI), APIs, XML, JSON, and XSLT.
- Collaborated with cross-functional teams to gather requirements, design scalable solutions, and implement features within project timelines.
- Conducted code reviews and provided mentorship/feedback to ensure code quality, security, and adherence to best practices.
- Actively contributed to Agile ceremonies (sprint planning, daily stand-ups, sprint reviews, retrospectives) to drive progress and continuous improvement.
- Implemented Git version control best practices, ensuring integrity, traceability, and collaboration in code changes.
- Leveraged AWS cloud services to deploy and manage scalable, resilient, and cost-optimized applications.
- Employed Pytest for automated testing, strengthening reliability and enabling seamless integration in the CI/CD pipeline.

IBM, Bengalore

November 2019 - March 2022

Associate Software Engineer

- Contributed to the end-to-end software development lifecycle (SDLC), including requirements gathering, design, development, testing, deployment, and ongoing support.
- Designed and developed scalable web applications using Python and Django, implementing REST APIs and integrating with third-party services.
- Enhanced backend functionality by applying Django ORM, views, templates, and middleware, ensuring clean architecture and maintainability.
- Collaborated with cross-functional teams to gather requirements and deliver solutions aligned with business and project goals.
- Conducted code reviews, mentored peers, and applied feedback to ensure code quality, readability, and adherence to best practices.
- Built and maintained automated test cases with Pytest and Django's testing framework, improving reliability and supporting CI/CD pipelines.

- Utilized Git version control for branching strategies, code integration, and release management.
- Deployed and managed applications on AWS (Lambda, EC2, S3, RDS, SAM CLI), optimizing performance, scalability, and cost efficiency.
- Worked with SQL, JSON, XML, and XSLT for data management and transformation.
- Participated actively in Agile ceremonies (sprint planning, daily stand-ups, sprint reviews, retrospectives), contributing to project progress and continuous improvement.
- Engaged in continuous learning of the Python/Django ecosystem, cloud-native practices, and modern development methodologies

EDUCATION

Atria Institute of Technology
August 2015 - August 2019

Bachelor of Engineering - BE, Information science

- Grade: A

M E S PU COLLEGE Sirsi
June 2013 - March 2015

PCMB

- Grade: First Class

CERTIFICATIONS

Oracle DBMS Developer
2019

Experis IT and Manipal University

Diploma Software Development
2019

Genius Information Technology Academy

LANGUAGES

English (Professional), **Hindi** (Professional), **Kannada** (Full)

HOBBIES

Reading, Travelling, Blogging
