SOURABH SHRIVASTAVA

Pune, India +91-8698425477 | sourabhshrivastava569@gmail.com

PROFESSIONAL SUMMARY

- • QA Leader with 11+ years of experience in Software Testing, including 8+ years in Salesforce QA and 6+ years in automation using Selenium, Playwright, Pytest, and TestNG.
- • Balanced expertise combining hands-on SDET automation and QA architectural leadership for enterprise-scale Salesforce implementations.
- • Proficient in API testing, CI/CD integration, Shell scripting, Agile methodologies, and DevOps collaboration to drive quality engineering transformation.
- • Domain experience across Insurance, Finance, Retail, Utilities, and Contact Center industries.

CORE COMPETENCIES

- • Test Automation Framework Design • CI/CD (Jenkins, GitHub Actions) • Selenium (Java/Python)
- • Playwright (JavaScript/TypeScript) • Pytest • TestNG • API Testing (REST, SOAP, Postman)
- • Salesforce QA (Service, Sales, FSC, CPQ, OmniStudio, Community) • Agile/Scrum Delivery
- • Test Strategy & Governance • Quality Metrics • Shell Scripting • SQL Validation
- • Version Control (Git, GitHub) • Reporting (Allure, Extent) • Defect Management (JIRA, ADO)

PROFESSIONAL EXPERIENCE

OSF DIGITAL

- • Consulting Automation Engineer engagement with OSF Digital for Salesforce UI automation using Playwright (JavaScript/TypeScript) and Selenium (Python).
- • Developed reusable automation components and contributed to framework scalability improvements.
- • Integrated CI/CD pipelines for regression suites using Jenkins and GitHub Actions.

- • Collaborated with Salesforce QA Architects to define end-to-end automation standards.

Salesforce QA Lead | Microcom (New-Era Company)

Mar 2024 – Jun 2025

- • Developed and maintained Selenium + Pytest automation frameworks to accelerate regression cycles.
- • Automated Salesforce FSC flows with Playwright for multi-browser testing coverage.
- • Created Shell scripts for data setup, cleanup, and nightly runs, improving test reliability.
- • Automated REST APIs and validated integration with Intacct, Core Banking, and Payment Gateways.
- • Led QA planning, execution, and UAT support in Agile teams ensuring high-quality releases.

Associate QA Lead | Extentia Information Technology

Jan 2017 – Feb 2024

- • Led Salesforce QA delivery across Service, Sales, and FSC projects with focus on end-to-end automation.
- • Built and maintained Selenium and Playwright automation frameworks, improving regression coverage.
- • Performed REST API testing, SQL validations, and implemented CI/CD integration with Jenkins.
- • Conducted requirement analysis, test strategy definition, and UAT coordination with stakeholders.

Test Engineer | Data Action Pvt Ltd

Jul 2016 – Feb 2017

- • Automated Salesforce test cases using Java and Selenium under hybrid frameworks.
- • Executed REST API tests via Postman and validated end-to-end business workflows.
- • Mentored QA team members on automation frameworks and Agile best practices.

Senior Test Engineer | Zensoft Services Pvt Ltd

Feb 2015 – Jun 2016

- • Performed functional and regression testing on Salesforce Sales and Service Cloud modules.
- • Developed automation scripts using Selenium (Java/Python) for core regression coverage.

- • Conducted API validations with Postman and ensured defect triage with development teams.

CERTIFICATIONS

- • Salesforce Certified Administrator – Valid till Jun 2035
- • ISTQB Certified Tester – Valid from Feb 2024

EDUCATION

B.Tech – Computer Science & Engineering | RGPV University (2008–2012)
