# SAMBHU GOWTHAM

**Oracle– Finance Functional Consultant**
✉ **SambhuGowtham@gmail.com** | 📱 **+91 8185018185**

---

## PROFESSIONAL PROFILE

- 11+ years of total experience, including 6 years in Oracle Fusion Applications as a Financial Functional Consultant.
- Proven track record in end-to-end implementation, support, and testing of Oracle Financial modules: GL, AP, AR, FA, and CM.
- Expertise in Oracle Cloud ERP implementations, rollouts, requirement gathering, FIT-GAP analysis, CRP, UAT, and documentation (MC050, AN100, RD20, TE040).
- Proficient in data migration using FBDI & ADFDI, and in report development using OTBI & BI Publisher.
- Comprehensive understanding of Procure-to-Pay (P2P), Order-to-Cash (O2C), **Treasury, and Tax** business processes.
- Strong ability to work independently, manage deliverables, and collaborate across cross-functional teams.

---

## TECHNICAL SKILLS

**ERP Platforms:** Oracle R12, Oracle Fusion Cloud (R13)
**Tools:** Jira, ServiceNow
**Documentation:** MC050, AN100, RD20, TE040
