About Me

- Experienced Quality Assurance Engineer with a strong background in both manual and automated testing methodologies.
- Proficient in ensuring software quality across diverse platforms and applications.

Skills

JavaScript | TypeScript | Cypress | PlayWrite | Cucumber (BDD) | Selenium

Work Experience

Quality Assurance Engineer - 3Pillar Global

07/2022 - Present | Noida

- Developed testing scripts using Cypress with JavaScript, ensuring alignment with project requirements.
- Adopted Cucumber BDD framework to enhance testing clarity and efficiency.
- Learned and implemented Cucumber feature files to translate business requirements into test scenarios.
- Successfully migrated from traditional Cypress scripts to Cucumber feature files for improved readability and management.
- Analyzed project requirements to create comprehensive test scenarios and ensure testing alignment with business objectives.
- Collaborated with cross-functional teams to identify issues, track defects, and ensure timely resolution.

Quality Assurance Engineer - Apprentice - 3Pillar Global

10/2021 - 07/2022 | Noida

- Acquired proficiency in automation frameworks including Selenium with Java and Cypress with JavaScript.
- Demonstrated competence in creating automated test scripts using Selenium with Java, ensuring robust test coverage.
- Developed expertise in Cypress with JavaScript, leveraging its capabilities for efficient and effective web application testing.
- Collaborated with peers and mentors to troubleshoot issues, share knowledge, and optimize automation processes.

Test Engineer - Intern - Savart

07/2021 - 10/2021 | Hyderabad

- Conducted thorough manual testing, ensuring comprehensive coverage of requirements and scenarios.
- Developed clear and concise test cases, plans and scripts.
- Collaborated with cross-functional teams to communicate progress and prioritize issues.
